HOW TO MEASURE YOUR CHILD

Price & Buckland Schoolwear has been created with the growing child in mind and for a comfortable fit. It is generous in size and durable.

We always recommend checking your child's measurements before buying by using our top tips to ensure the best fit.

Watch our how to measure your child video here! →

1 HEIGHT

Without shoes, with the back against the wall place feet together flat on the floor. Measure from the top of the head to the ground.

2 NECK

Measure around the base of the neck where the shirt collar would normally sit. Leave a little room for comfort.

3 CHEST

Measure the chest at the fullest part placing the tape close up under the arms.

4 WAIST

Measure around the natural waistline, at the narrowest part. Leave a little extra room for comfort.

5 HIPS

Standing straight, with heels together, measure around the fullest part.

6 INSIDE LEG

In bare feet take the measurement from the top of the inside leg to the floor.
